LETTER OF APPRECIATION

Acharya Patashala Polytechnic and the Department of Electrical & Electronics Engineering extend their heartfelt appreciation to **Mr. Darshan M. Gowda** for his invaluable service as an Assistant Guide.

From June 2023 to July 2023, Mr. Darshan M. Gowda provided exceptional support in mentoring the final-year diploma students of Electrical & Electronics Engineering on their project: *Auto Mains Failure (AMF) Switch for Power Supply System*. His dedicated efforts in guiding the design, implementation, and troubleshooting of the system were pivotal to the project's success.

His commitment to sharing knowledge and ensuring a practical learning experience for our students demonstrated remarkable expertise and generosity. This contribution has left a lasting positive impact.

We are truly grateful for his support and wish him the very best in all his future endeavors.

Sincerely,

Principal

Acharya Patashala Polytechnic
